

**Niseko Avalanche Information has opened a new office
at Niseko Moiwa Ski Resort!**

Niseko Avalanche Information was established in accordance with the 2000 establishment of the Niseko Annupuri Council for Avalanche Accident Prevention.

Mr. Akio Shinya works at this ski resort as an agent on behalf of Niseko Avalanche Information.

His main duties involve:

- Construction and transmission of Niseko avalanche information
- Snowfall surveying
- Mountain-top gate observation activities
- Planning of Niseko avalanche meetings
- Supervision of Niseko local rules
- Production of avalanche accident prevention awareness posters
- Avalanche accident prevention educational activities in the Niseko area.

Mr. Akio Shinya can be found inside this ski resort's patrol building.
